

Projekt: Klimawandel

3D Animation: The lost Music Box

Wei Hou

Projekt: Klimawandel
3D Animation: The lost Music Box

Idee:

Ich möchte eine kleine Geschichte erzählen,
was in der Zukunft passieren könnte.

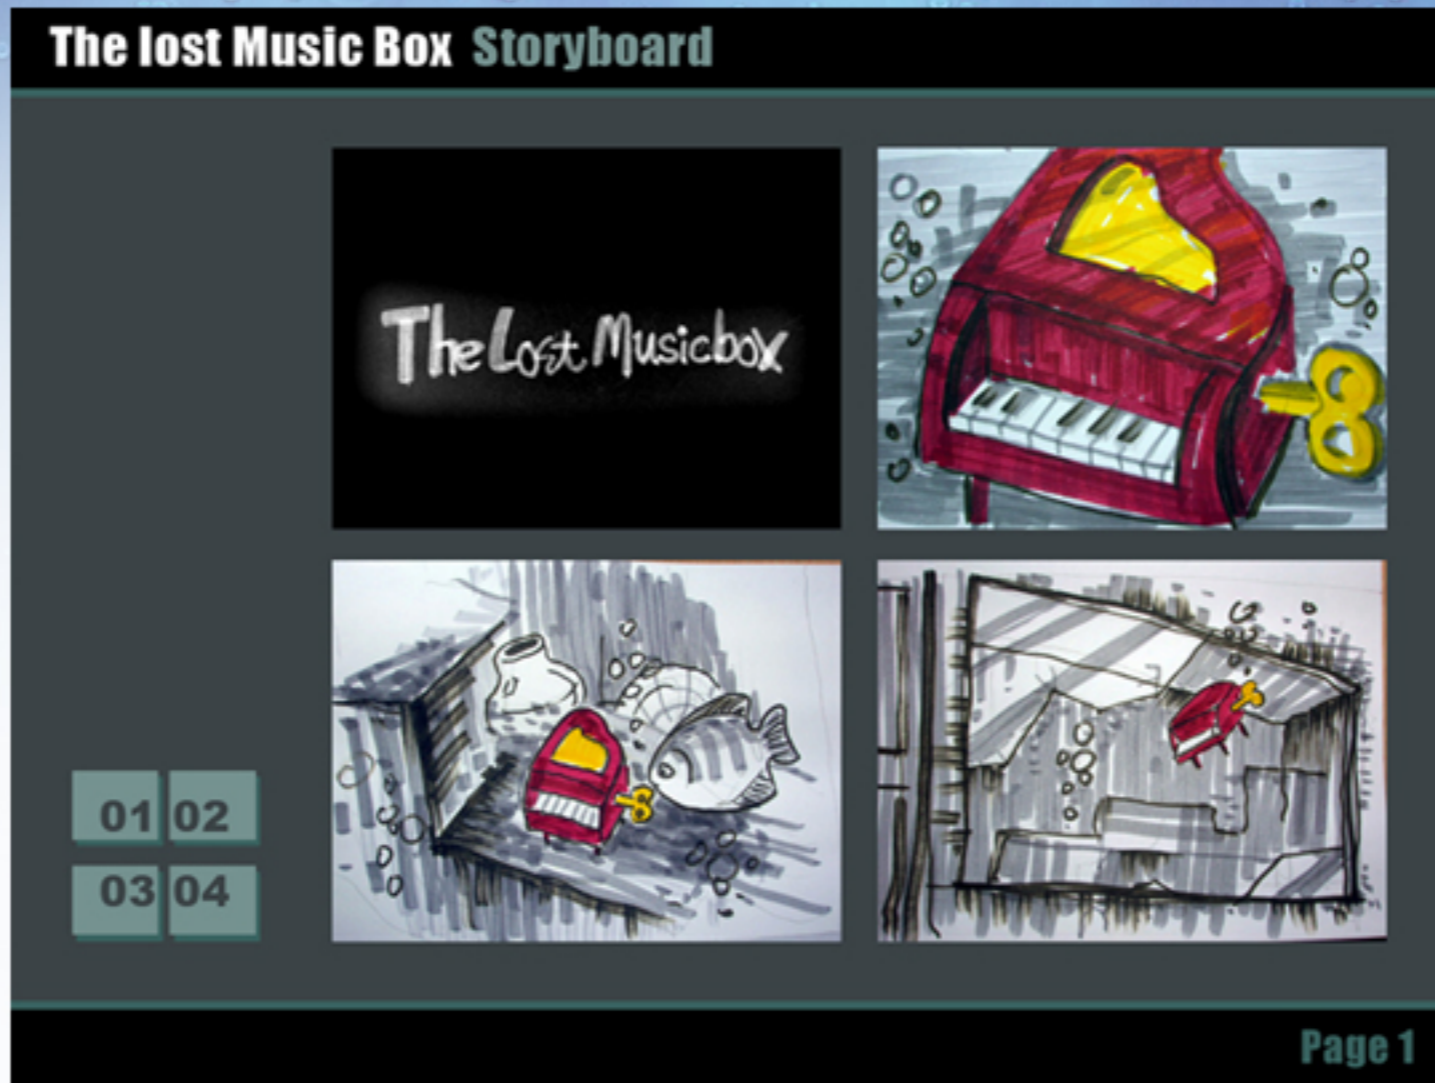

Durch die Katastrophe der Globalerwärmung
wird das Schicksal der Musikbox dargestellt.
Es soll damit zum Nachdenken angeregt werden,
was man in der Zukunft tun kann, um die Umwelt
zu schützen.
